Useful Transportation Apps

Parking Panda: Most popular parking app. Reserve parking in advance. Finds and books parking in real-time. Transactions are handled securely by credit card through the app.

Best Parking: Has the most accurate data of any parking app and backs up this claim by offering a \$5 Starbucks eGift to any user who reports inaccurate information.

ParkWhiz: Finds and reserves parking for up to 60% off. Partners with parking facilities to give large discounts on unsold parking spaces. Transactions handled securely through the app.

Charm City Circulator: Uses location services to provide most accurate info on Circulator routes. Displays estimated arrival times, news, and nearby points of interest.

Bus it! Charm City Circulator: Displays simple interactive transit maps, tracks buses in real-time, and accesses next bus arrival times by stop in a speedy manor.
